PURPLE HAZE

**S**andra Shine recently moved into a swanky new apartment in Prague where hot girls live, and there's a party every night. Right now the party is in Sandra's pants, but she has no one to play with. Fortunately, she didn't forget her friend, "Purple Haze." "It is named after my favorite porn star, Jenna Haze," explains Sandra. "I put this toy in my pussy and I imagine it is Jenna's long fingers rubbing against my pussy. She gets me so wet and horny I wish she were here to fuck me. I put the toy deeper inside my pussy and I fuck myself harder. God, I wish Jenna would come to Prague to fuck me!" Jenna's a bit busy right now, but we'd be happy to drop by—and drop a load—any time, Sandra! **PHOTOS BY DAVID BERNARDINO**

## LATE RETURN LEZZIE

**Dear CHER!**  
I suppose that your readers will be surprised to see a letter from a girl in your mail column, but after what I just experienced I had to tell someone, and my older brother is always raving about how **CHER!** is the freshest magazine on the market.

My name is Sandy. I'm 20-year-old, short blonde hair, blue eyes, and a decent figure, although I'm a bit on the skinny side, and I manage the one and only video rental store in our little town. As you might guess, our inventory is not very extensive. In fact, our "Adult" section consists of only two, very ancient, VHS tapes. Last month, a new customer, Lisa, came in looking for something X-Rated. She and her husband, a truck driver, had just moved into the old Whipple house out on State Rd. The first thing that impressed me about Lisa was her running beauty. At thirty-one (I got that from her rental card application), she possessed a glorious mane of platinum yellow hair that brought out the green of her eyes, the fullness of her ruby lips, and accentuated her hourglass figure.

As you might expect, she wasn't impressed with our meager stock of smut. "Oh, well! My husband's on the road a lot and I need something to keep me busy at night!" she pouted, reaching out to tightly grasp my hand. "If you know what I mean, Sandy."

I was speechless! The delicate touch of her slim fingers made my nipples tingle and my pussy twitch! I have to confess that I have occasionally had fantasies about women, but my haughty reaction really surprised me. Unfortunately, Lisa turned out to be what we call in the business a "late returner"—a very late returner! To make matters worse, she completely ignored my phone calls so I decided to stop by her house one night after work and collect the tapes myself. No one answered my knock, but since there was a light on in the living room, I just walked in—and got the shock of my life. Lisa lay sprawled out naked on the sofa, jamming a thick rubber dildo into her pussy while watching two women having sex on TV. Suddenly, she glanced over at me and smiled.

"Well! It's about time you showed up!" she murmured, patting the other end of the couch. "Come join me."

A part of me wanted to run, and yet I was interested to find out what exactly she had in mind. The instant my butt hit the cushions she took me into her arms, Renc-

ounted me passionately, and guided my hands to her fat breasts. I never stood a chance. The next thing, my clothes lay in a heap on the floor and we were both writhing around naked like a couple of horny cybers. Lisa nudged me backward to nuzzle on my pearly pink nipples and fondle my much smaller bosom, then teased down my quivering tummy, gently poked my legs, and swept her tongue along my moist wastes. I thought I was going to climax on the spot! Peeling my fragile petals open, Lisa licked around inside my helixing slit for a while before inserting a finger and diverting her old attention to my throbbing clit.

I slithered down between her shapely thighs to taste the clear nectar that oozed from her gaping gash

"Ooooo! Yes! Oh, God!" I cried, clutching her launching, golden waves as I loaded my flaring thighs around her burrowing head and thumped my leaking pubes at her nibbling lips. "Eat my cunt! Oh, yes! Make me cum, baby! Make me cum!"

My filthy words must have encouraged her because she quickly picked up the pace until I gulped a torrent of girl goo into her hungry mouth. Naturally, I was eager to sample her fragrant-smelling cunt, and Lisa was more than ready. She led me into the bedroom where I immediately began caressing her downy flesh and nuzzling on her pulpy, coral-colored nipples. Soon, Lisa was trembling uncontrollably and her pleasurable moans echoed throughout the room. Finally, I slithered down between her shapely thighs to taste the clear nectar that oozed from her gaping gash.

"Ahhhh! Yes, my darling girl!" she whimpered, pushing on the back of my neck with both hands. "Your tongue feels wonderful! Awwwww! Please! Keep that up and I'll cum all over your adorable face!"

That's what I wanted. Following Lisa's instructions, I dreamed tasting of her musky fluids while chewing on her pulsating peeps, and the minute her rock-solid, peach-shaped ass started bucking wildly, I jolted three fingers up her hot to bring her off.

The amazing part of my story is that I tell Lisa's house totally vested in the ways of lesbian love, but without the tapes! No problem! It gave me a reason to return the next night and try out that dildo!

"Shove that big cock up my asshole! I want to feel you both inside me!"

## LAYING NICOLE'S RUG

**Dear CHER!**  
The letter is addressed to all you **CHER!** readers out there who have dull, mundane jobs. My buddy Frank and I work for a big carpet installation company here in Boston cutting up all the old-stead, left-over remnants. It's a real pain in the ass. The boss usually sets up a space in the basement of wherever it is we happen to be, and we handle the crap after the experts are finished laying the rug. Normally, it's just the two of us, but on some of the larger contracts they get someone to help. During our last assignment, the owner informed us that he would be hiring his new girlfriend's daughter, a chick named Nicole, to work in our department. Frank and I weren't real happy about having a girl hanging around until we got a look at this babe. The key word here is babe! Mid 20's, petite, long, curly dark hair that accentuated her exotic features, bronzed skin tone, and a nice, compact body. Of course, being normal, healthy men, Frank and I immediately wanted to nail her and maybe would have too, except that we figured a beautiful piece of eye candy like Nicole wouldn't be interested in a couple of married, middle-aged farts like us. She didn't make it easy on us though—wearing low-cut tops that showed

off her perky, round tits, and mini skirts that went up practically to her firm, round bubble butt. So Frank and I walked around with bones most of the time. Then one day we discovered that we were dealing with more than just a cocktease. It was late in the afternoon and for some strange reason the remnant department had closed down.

"Wow!" Nicole finally said after we'd gone through a long period of strained silence. "I'm super bored. You guys want to fuck?"

I glanced at Frank. Frank shrugged his shoulders and started to laugh. We thought she was kidding. No joke! Nicole snarled defiantly, whipped off her hair to reveal her bare, pink-nipped jugs, and quickly shimmed out of her skirt. Christ! That little tramp was all over us—rubbing her melons against our chests, wiggling her tongue into our mouths, and boldly grabbing our crotches. Before we realized what was happening, Nicole had knelt on the

floor to free our pulsating peckers, and war-jerking us off at top speed! There was no turning back at this point. Frank shoved his prick into her mouth first and began poking her tonsils a few minutes later Nicole was clearly no novice when it came to handling a pair of stiff prickles she swung easily from one to the other, swallowing each of us down to the root, and licked our furry balls like a ten-dollar whore. By this time Frank and I were on the verge of pumping two hefty lizz loads down her craw, Nicole cut us loose, sprawled out on a pile of old carpet, and lewdly spread her downy thighs. Frank must have been stumped because his didn't move, so I ripped Nicole's drenched thong away from her sleek limbs and nuzzled my face into her nude pussy. The tiny hot wet out of a pleasurable whoop that was instantly stifled by Frank's raging dong clogging her away again, and furiously humped her juicy slice of my shagging hungry tpe. Her cunt tasted delicious, but it wasn't long before the need to bury my aching cock inside her grew unbearable. Nicole acted surprised when I rolled her over and thrust her up above my rigid missile.

"Oh, yeah!" she moaned, wiggling her glowing gash down over my flared knob. "That's what I want! Fuck me, baby!" Poor Frank glared daggers at me as I crammed my throbbing pecker up her snug booty, while our new neighbor had quite a repertoire of moves. "Come on, Frankie!" Nicole mewled, hunching forward to elevate her quivering tanny. "Shove that big cock up my asshole! I want to feel you both inside me!"

My forlorn pal didn't hesitate. Crouching behind Nicole's rump, he rammed his dick up her rectum, sending her buoyant love-pilows sliding across my nose. Nicole yipped triumphantly and began furiously churning her plush naunches back and forth on our drilling shafts while Frank and I fought to establish a steady rhythm. We did a good job of it, the horny pair, considering how huffy we were, and when Nicole finally experienced a tremendous, gut-wrenching orgasm, her shivering snatch and contracting pudlel milled our gonads dry.

Unfortunately, that was the only time the three of us got together. Nicole didn't show up the next morning. The boss told us there'd found another job, but Frank and I think he fired her because he split with his girlfriend that same day. What an idiot! Nicole was a great worker and one hell of a lady!

## BLACK DICK LOVER

Dear CHERI,  
My husband, Al, and I are a very open-minded couple who read your magazine faithfully. We especially enjoy your hot letters section. That's why Al convinced me to write to you about my first intimate encounter with a total stranger. I manage a small department store here in town and last week happened to notice this tall, handsome Black

man scurrying up and down the stairs acting very suspicious. Of course, as I followed him around I soon realized that he wasn't doing anything wrong. I was just lusting after his body. In his late teens, the guy had that long, lean look that really gets my pussy quivering, not to mention a gigantic bulge in his bulky jeans that had to be more than simply access denied.

I honestly don't know what got into me that afternoon. I mean, a middle-class, happily married twenty-eight-year-old woman doesn't go around accosting strangers for sex. But that had always been one of my fantasies, and this hunk was too hot to resist. So I quietly called him to follow me into the deserted security office.

"Sure!" he said, barely giving me time once over. Once I'd locked the door behind us, I planted my high round butt on the edge of the desk, arched my torso to push my 36 C's out against my blouse, and crossed one leg over the other, leaving my snatch open for him to see as well as above my dimpled knees.

## My diligence paid off when he popped his nuts, spewing a river of creamy spunk down my gullet

"Just in case I'm reading this wrong," he growled, "I don't take anything."

"Oh no?" I purred, casually sliding my sexy shoulder-length, ebony mane as I ran my hands up and down his lean body until my palm came to rest on his bulging bawler. "What's that?"

"Why don't you find out, lady?" he growled. Striding to the lock, he shoved his jeans and shorts down to his ankles, revealing a pair of black briefs that were stretched tight over his thick, dark, hairy cock. He then pulled the briefs down to his ankles, revealing a pair of black briefs that were stretched tight over his thick, dark, hairy cock. He then pulled the briefs down to his ankles, revealing a pair of black briefs that were stretched tight over his thick, dark, hairy cock.

"Much better," he growled, cupping the back of my head. "Such my dick, honey!"

That wasn't turning out to be so eddy. He was huge! I almost gagged a couple of times as I bobbed steadily on his rigid piece, and the harder I sucked, the larger he grew. A few minutes later my diligence paid off when he popped his nuts, spewing a river of creamy spunk down my gullet with a mighty groan. By the time I came off his shivering cock, my cunt was on fire. All I could think about was his chocolate monster screwing me senseless. Luckily for me, my husband had the same idea. Moving fast, he fired me up early onto the desk, swiftly stripped away my clothing, and leaned in to capture my right tit between his peaty whites.

"Ghh! yeah!" I moaned, pressing his face into my heaving bosom. "So my titles, baby! Oh, god! You're driving me crazy!"

He sure knew his stuff. After running on both jugs for several long, luscious minutes, he dropped between

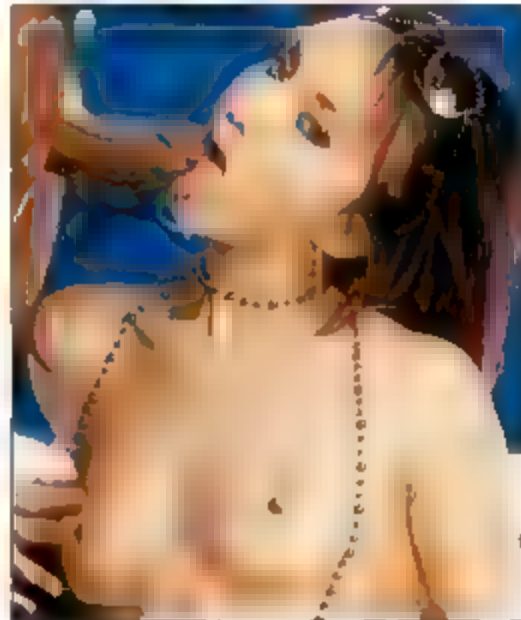

my parted thighs to shoot his tongue straight into my hairy pink slot. What a feeling! It was like a snake had invaded my vaginal. Whimpering hysterically, I orgasmed after only a few quick licks. My new lover kept his hungry mouth glued to my seeping twat until he'd gotten every drop of my discharge, then jumped up to aim his recharged pecker at my drooling cavern.

"Give it to me!" I begged, looping my shapely legs around his waist. "Fuck me with that big Black dick!"

"You got it, honey," he growled, entering me in one, mighty thrust. Howling at the top of my lungs, I started writhing frantically on his driving rod as another tremendous climax simmered in my belly. Actually, I had two more before he finally emptied his swollen balls in my snapping, tight cunt.

"Ahhh, shit!" he pulled, burying his smoky whopper deep in my gurning gash. "The game is over, lady!"

"Pick me up with yours!" I screamed, passionately.

When I felt his sperm flood my spawning hole, I came one last time, then collapsed on the desk exhausted. While we were getting dressed, he told me his name was Louie, gave me his number, and invited me to call him if I ever wanted to party again. As it turned out, I gave him a buzz the very next day because Al got so turned-on when he heard my story that he rolled me twice right in the middle of our living room! Now Louie is coming over on Saturday night and he's bringing a friend. I can't wait to experience my first gang-bang! Maybe I'll write you again to tell you all about it.

JENNA

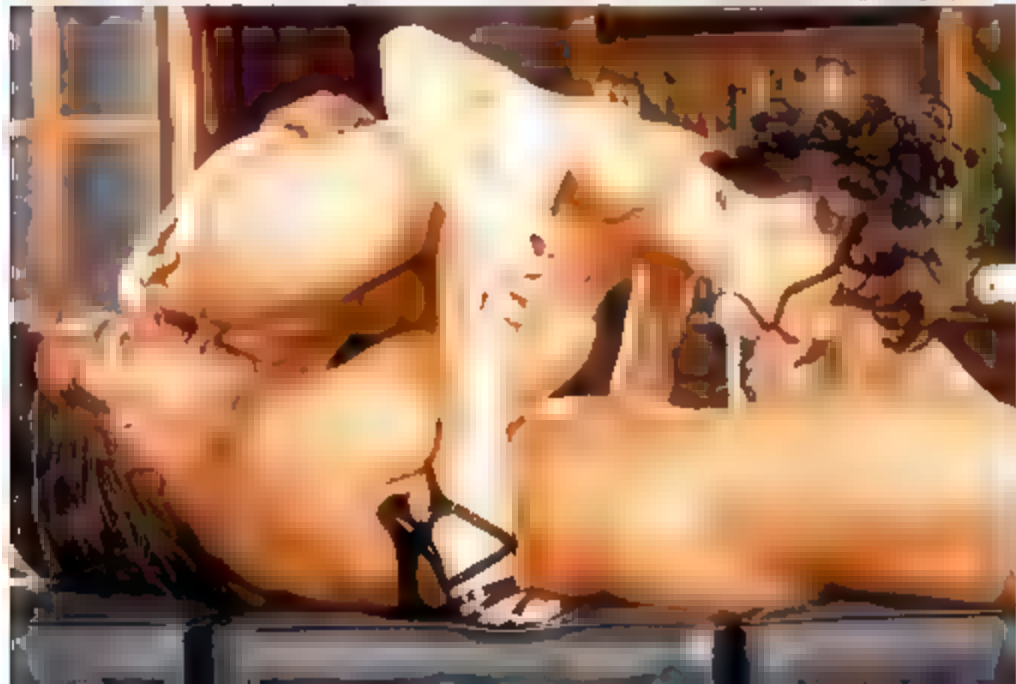

HOT FOR TEACHER

**N**ick the hunky college professor, is all student/teen porn sensation Jenna Bradley can think of so one day she decides to dress up in her sulfiest outfit and seduce Professor Manning. Nick sees what's happening, taking note of Jenna's tiny waist, soft skin, long legs, and sure-to-be-very-right-and-wet pussy. He has to fuck the teenage goddess, so he steps her out of her clothes, tells her to go down on her knees and take his big cock down her throat. Jenna deep-throats Nick's cock, then turns around, spreads her legs wide, and asks Nick to fuck the shit out of her back pounds away at Jenna's juicy pussy, then unleashes a huge wad of man juice all over Jenna's face. "That was an awesome fuck, Professor Manning." Jenna says out of breath, isn't it nice to see a teacher get hands-on with an eager, willing-to-learn student?

Alex, Gina and Riley are celebrating girls night out without the boys, so they toast their friendship and the new toys they just bought. The girls know how to get each other off but may like to have a little plastic help every now and then. Double-headed dildo and strap-ons are on the agenda tonight, so they lick each other's pussy and pour on the lube because they have super-tight vaginas. As soon as the toys are in, they intimately squish their sweet pussies all over each other. They lick themselves clean, and start the fuck session all over again. More deep penetration, more squirting, more titty sucking and adda rowing later, and the girls have one hot boring session, minus the meat ladder, when you do get the craving for some real beef flavor, just give us a call!

INTERVIEW WITH A PORN STAR

# JASMINE BYRNE

BYRNE-ING HOT!

Interview by Acme Anderson

**PORN VALLEY, CA—**Jasmine Byrne has been in the business for three years and, despite a boatload of cock, isn't the least bit bored with the job. The 21-year-old from Marina Valley, California, knew long before she started performing in front of the camera that it was her calling. She is a self-proclaimed slut from way back, who left her small hometown as soon as she was legal and, before long, was fucking and sucking for anyone who called. She loves guys and does equally and her mind is a snorer than the entire run of *Cop Rock*.

**When did you realize your calling to become a porn star?**

When I realized that since I was sleeping with a lot of people that I thought I might as well get paid for it. I answered an ad in the paper for "nude modeling," which of course I wasn't, but I thought it was kind of cool, you know? And, well, a big whole, but I just wanted to get paid for it.

**Have you ever danced professionally?**

No, never. I know I need to get on it and I'm going to.

**What's your feeling about plastic surgery/breast augmentation?**

If you're a woman who feels like you need a boob job, then go ahead and get them. Like my boobs. I've always wanted them bigger. I kinda sucked in my family. Everyone in my family has big boobs and, just stopped, they're little but they're mine and I'm not going to trade them in for some plastic stuff. And I'm afraid of anything leading in my body, too.

## JASMINE BYRNE

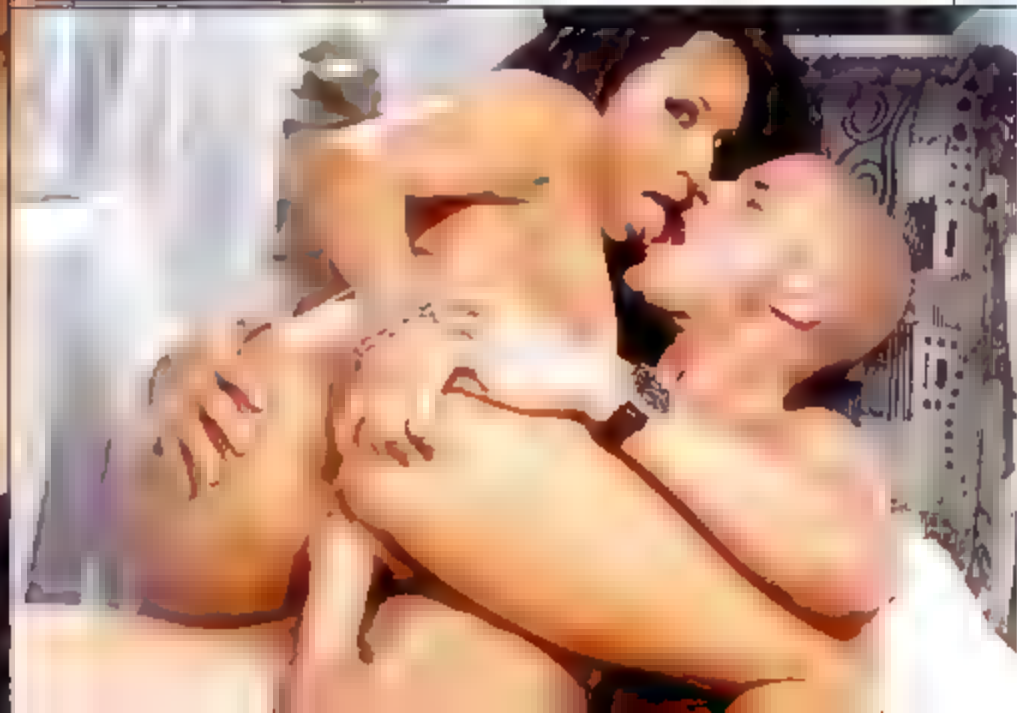

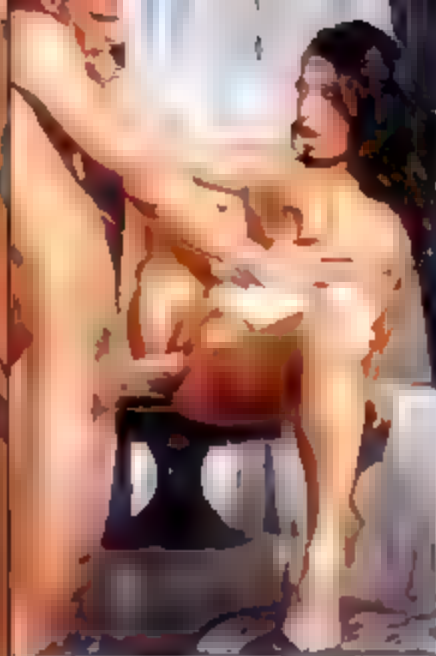

**What's the best thing about being a porn star?**  
You get to fuck with a different person every time you go to work and you've got no strings attached.

**What's the worst thing about being a porn star?**  
You don't know what happens to you. They don't tell you anything when you start. They should have a porn star school on what to look out for. I got in the business when I was 18 and wish I would have waited until now because I'm much more wise and I would have known a lot more.

**What's the last concert you went to?**  
Mariah Carey. I'm a huge fan.

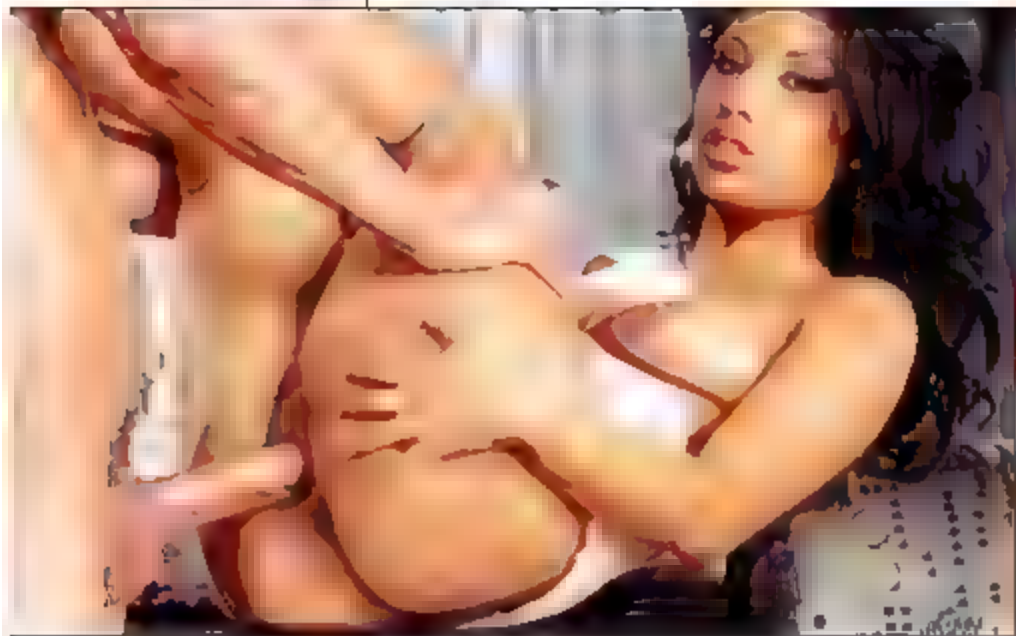

**What's in your CD player right now?**  
I'm listening to D. Ruzy D on XM Radio.

**Do your sexual attitudes change once the cameras start rolling?**  
Yes. I have a switch—on and off switch. I'm a really nice, sweet, calm, shy person off camera, on camera I'm a really, really nasty girl. I'm like that at home, too, once you get me in that mood. I don't really like boundaries. I have a few, but I'm going heavy on it.

## JASMINE BYRNE

### On camera I'm a nasty, nasty, nasty girl

**Do you ever feel typecast as the nasty girl?**  
Nobody really knows what I am, so no I'm Mexican and Asian Indian.

**What are the pros and cons of being a sexploitation performer vs. a contract star?**

Freelance performers get paid a lot more but get less publicity. Contract stars only work a few times a year, and if you're a freak you don't want to only work a few times a year. You want to work a lot of times a year. I really like not being a contract girl... like working for everyone and give everyone a good scene every time.

**Does your family know what you do for a living?**

Yes, my family knows exactly what I do for a living. But it runs in my family. My dad was a big, big whore. My dad doesn't like it, but I'm daddy's girl no matter what.

**If you could change one thing about yourself what would it be?**  
I don't think I would change anything.

**What kind of stuff do you like to read?**  
I like to read a lot of erotica.

**What's your favorite non-porn movie?**

I love *The Notebook*. I'm a hopeless romantic. I cry. And I really like *The Return to the Blue Lagoon*. It was Milla Jovovich and she became my favorite actress for a while. And now I have a fantasy of fucking on an island somewhere.

**If you could have dinner with anyone, living or dead, who would it be?**

I want to have dinner with Hugh Hefner's girlfriends. I just want to see just what is in their heads. I just want to experience that for a night.

**If you won the lottery tomorrow, what's the first thing you'd do?**

Move out of the country. Pay off my debts, get out of the country and I think I'd go to the Caribbean.

JASMINE BYRNE

# JASMINE BYRNE

**Do you have anal sex in your films?**  
Yeah! Of course!

**Ever do a gangbang on film or in person?**  
Never in person but several on film.

**What are your feelings on oral sex, both giving and receiving?**  
It's great. I love giving oral sex and I love receiving oral sex. For a while, I didn't like receiving oral sex. I wouldn't let people go down on me because I have a huge camel toe and it was embarrassing. I didn't know that it was a good thing.

**Any special techniques you use?**  
Relax your throat and let the dick slide down. And on the girls just act like you're a human vacuum.

## I was a big whore, but I just wanted to get paid for it

**What size cock do you prefer?**  
Has a normal-size cock. I really don't care about the size of a cock. As long as it fits, it's fine.

**Do you prefer men or women as sex partners?**  
Fifty-fifty. I'm completely bisexual.

**What is your favorite sex act?**  
Love all positions.

**What is the wildest place you've ever had sex?**  
I don't think any place was strange. I just like to fuck everywhere.

**What's the most perverted thing you've ever done?**  
Nothing's perverted.

**What's the most embarrassing thing that's ever happened to you sexually?**  
I was giving heads and I had just one right below, and I popped my head up and I pulled it over. And when I'm getting fucked in my pussy and I fart.

**Which of your movies are you most proud of?**  
I haven't seen any of my recent ones, but I did a 12-guy gangbang and I'm excited about that one. I can't say just one, though. I like them all.

**What does the future hold for you?**  
A lot more people in the world to touch, and a lot more sex going on.

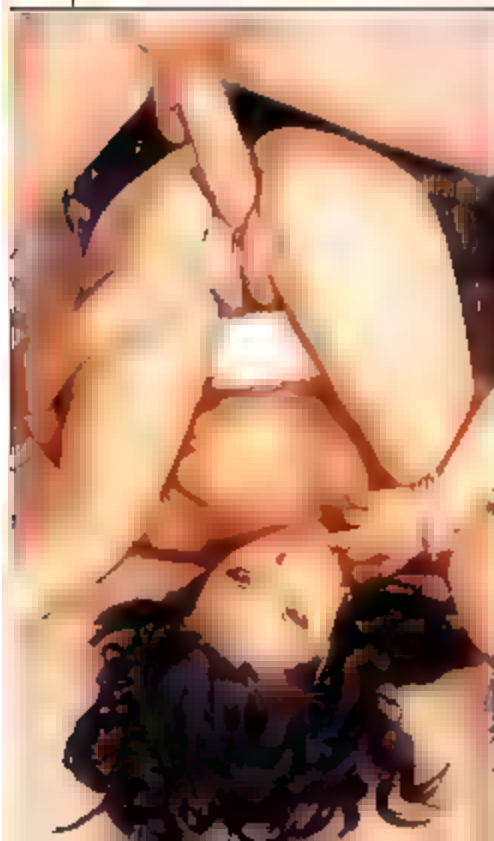

**Anything you'd like to say to those in the adult industry?**  
I want to thank all my fans in my hometown who watch me and all my fans from wherever you're from. I'm out here for you. Be the fact that I fuck on camera and please you on the other side, so keep watching and I'll keep making porn. ♀

COCK THE  VOTE!

# MARY CAREY

CHEER MAGAZINE  
ENTHUSIASTIC MARY CAREY  
FOR GOVERNOR OF  
CALIFORNIA - FINALLY A  
POLITICIAN YOU WANT  
TO BE SCREWED BY!

**M**ay 9th, 2006, was a milestone day in US political history. It was the day Mary Carey announced her candidacy for governor of California. Finally, a candidate of the people for the people, and—if you contribute enough to her campaign—will fuck the people. But not fuck us the way politicians have in the past. We'll finally have a real, down to earth politician we'd want to jerk us off, jerk off to, a governor who will fuck us, throw the widest porn parties, and let us touch her boobs. Imagine the slogan: "Cop a feel for your vote." She's the candidate who's not only the right, as we mean right, choice for governor, but she's also more the perfect girlfriend. She loves watching spontaneous, admits to liking big boobs over the ones, promises to trip or fundraise! declares *Cheri Magazine* as one of her favorite must reads. Says her favorite movies are *Scarface*, *Any Given Sunday*, *Eddie and the Crazy Men*, and would buy the *Miami Heat* if she won the lottery tomorrow and makes herself the only Heat owner.

But wait, there's more! Mary promises to legalize marijuana (that pretty much gets our vote) and shoot down any bill that's anti-porn (that seals the deal right there). Also, Mary will outlaw disturbing in porn and in California ("It's not fair to make a girl who's not as pretty as me pretty as me," says Mary), and has come up with an ingenious plan to get guns off the streets. Porn for profits concept. If you turn in your guns, you'll get free porn. If guys jerk off a lot, they'll be less violent and too sleepy to do drive-bys. So to everyone who thinks Mary's campaign isn't serious, that's she's mocking the political system, that it's all a publicity stunt. Mary deserves each and every one of YOUR votes. If you dread to see the day when California—and the rest of America—becomes porn free, she's not just big boobs, she's also big brains. On November 7, 2006, take your hands off your cock, pull up your pants, and put the fever down for Mary Carey, our 100% choice for the next governor of California!

## MAX Hardcore AND A BEVY OF FAST BABES MAKE HOT RODS RISE AT THE LONG BEACH GRAND PRIX

Text And Photos By Marc Marjell & Jill Page Service

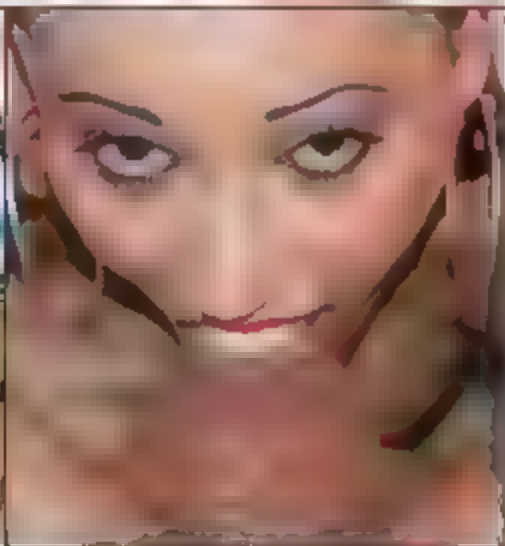

If Max Hardcore didn't become a 2001 producer/director/performer, he'd be a professional race car driver. So now he is doing the next best thing—single-handedly bringing the wacky world of his daily X-rated night shock dog into the mainstream world of speed-car competition. The world's foremost gorilla-teens-copper-narcotics-porn creator ([www.maxhardcore.com](http://www.maxhardcore.com)), known on-screen and off for his all-too-familiar no-holds-barred approach to porno—and lust and me in general—has become a pit race circuit regular, and the presence of Max, his camera crew, and his gaggle of scantily-clad hot babes are slowing the race-car world down to its gears of lust-beatings.

Over the years, 'Mad Max,' as he is known, has ruled the beer and fought the beer (he is currently, once again, being investigated by the federal vice squad because his videos are so extreme), and usually wins on all counts. He's a cowboy hat-wearing bad boy respected and feared, loved and loathed, but above all, rich and famous. The longtime on-screen stud of such sell-out 2001 titles as *The World According to Max*, *Max World*, and *The Max Factor*—and about a dozen other videos with similar themes and names—first hardcore'd long time ago. Now he resides in a luxurious mountain palace in a remote Los Angeles suburb, doing what he wants, when he wants, and to whom he wants. "It's my world," Max says with a smile. "But you can live here too, for the time being."

But it is Max's obsession with the sport of auto racing that has increasingly caught his attention and energy over the past few years. Rarely missing a major race in his home-state of California, across the U.S. or even the world, Max makes it his highest hardcore priority to pull in specially orchestrated appearances of speed-els such as the Long Beach Grand Prix, the San Jose Grand Prix, the new of Formula One Grand Prix races, the Indy Car races, and the Champ Car series. He's even venturing to places like Monaco in Europe just to take in the most prestigious of auto races. Max goes to the races not just because he's a fan—or to promote his *Max Hardcore*

## THE GIRLS WANT TO SHOW OUR SUPPORT FOR THE RACERS, THE SPORT, AND THE FANS. SO GETTING ALL DRESSED UP, AND PUTTING ON A SHOW FOR THEM IS THE LEAST WE CAN DO!

video line—but because he feels his bevy of beauties help inspire the drivers he swears to much.

"Of course, none of the races we go to can officially sanction us, or be lined up with us, but they love to have us there and they always give us passes, invite us into the pits, the garages, behind-the-scenes, everywhere they love to have the girls to hang around with before they take off," laughs Max.

Indeed, at the last race he took his road-show to—the Long Beach Grand Prix—he dressed porn stars Jayla Silvera and Kelly Wells up in nearly-nude scantily-clad dresses, and had them prance about in their high-heels, bending over teasing the guys in the pits, and making an all-around sexually-charged scene. In fact, depending on the venue and the particular situation, Max often throws a party at a nearby club or hotel, serving the drivers to attend, and also shows a number of hardcore fuck scenes off-site, and adding in the non-adult footage he takes at the actual races.

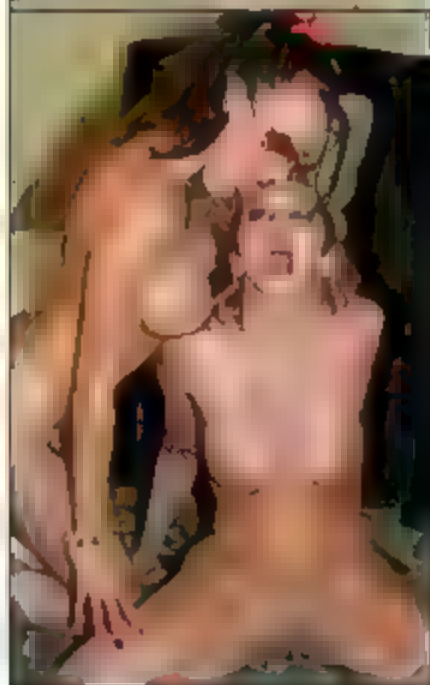

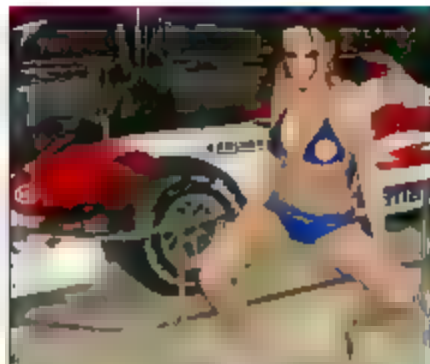

While the mixing of many things porn and mainstream has been a familiar theme over the past decade, Max seems to have come up with—and cornered the market in—teaching out to the auto racing community. The drivers, workers, officials, and fans at the race car events have taken a shine to Max and friends, greeting his familiar personage at car events with regular standing ovations.

"There's no need to stand and cheer," quines a decidedly satisfied Max. "We and the girls want to show our support for the racers, the sport, and the fans. So getting all dressed up, and putting on a show for them is the least we can do."

Max says that in the near future he plans to expand his appearance schedule at the car shows, and bring along even more girls. The more the better, they add some excitement to the atmosphere, and everyone loves it. So when the time comes for Max to finally retire from the fuck-for-bucks biz, does he actually see himself moving behind the steering wheel himself?

"It's a real fantasy of mine, but I think my role in professional racing is pretty well defined now," Max says. "I just want to keep on doing my part!"

A woman with long dark hair is posing in a natural setting, possibly a forest or park. She is wearing a light-colored, possibly white, outfit that is mostly transparent, revealing her body. She is standing with her legs slightly apart and her arms at her sides. The background shows green foliage and a bright, hazy sky. The overall tone is soft and natural.

# TART OF THE YEAR SHAY

*BOOBILICIOUS*

boy, I am so excited to be named this year's Fort Of  
 the Year. I got the call while I was rubbing my pussy,  
 thinking of all my hot girlfriends, when my cell rang  
 and it was the CHER! guys telling me I won! That got  
 me so excited... squirted a huge load of pussy juice,  
 rubbed my sweet cum all over my juicy tits, and sucked  
 on them hard, just how I like it! rubbed my clit faster, and  
 played with my big, soft, squishy titles. I had never been  
 that excited before. Getting that call made my pussy wet,  
 and my nipples hard. Thank you to all the CHER! readers  
 for giving me this award, and for giving me the big O! Our  
 pleasure show—thanks for giving us the big O, as well! •

TRAYN

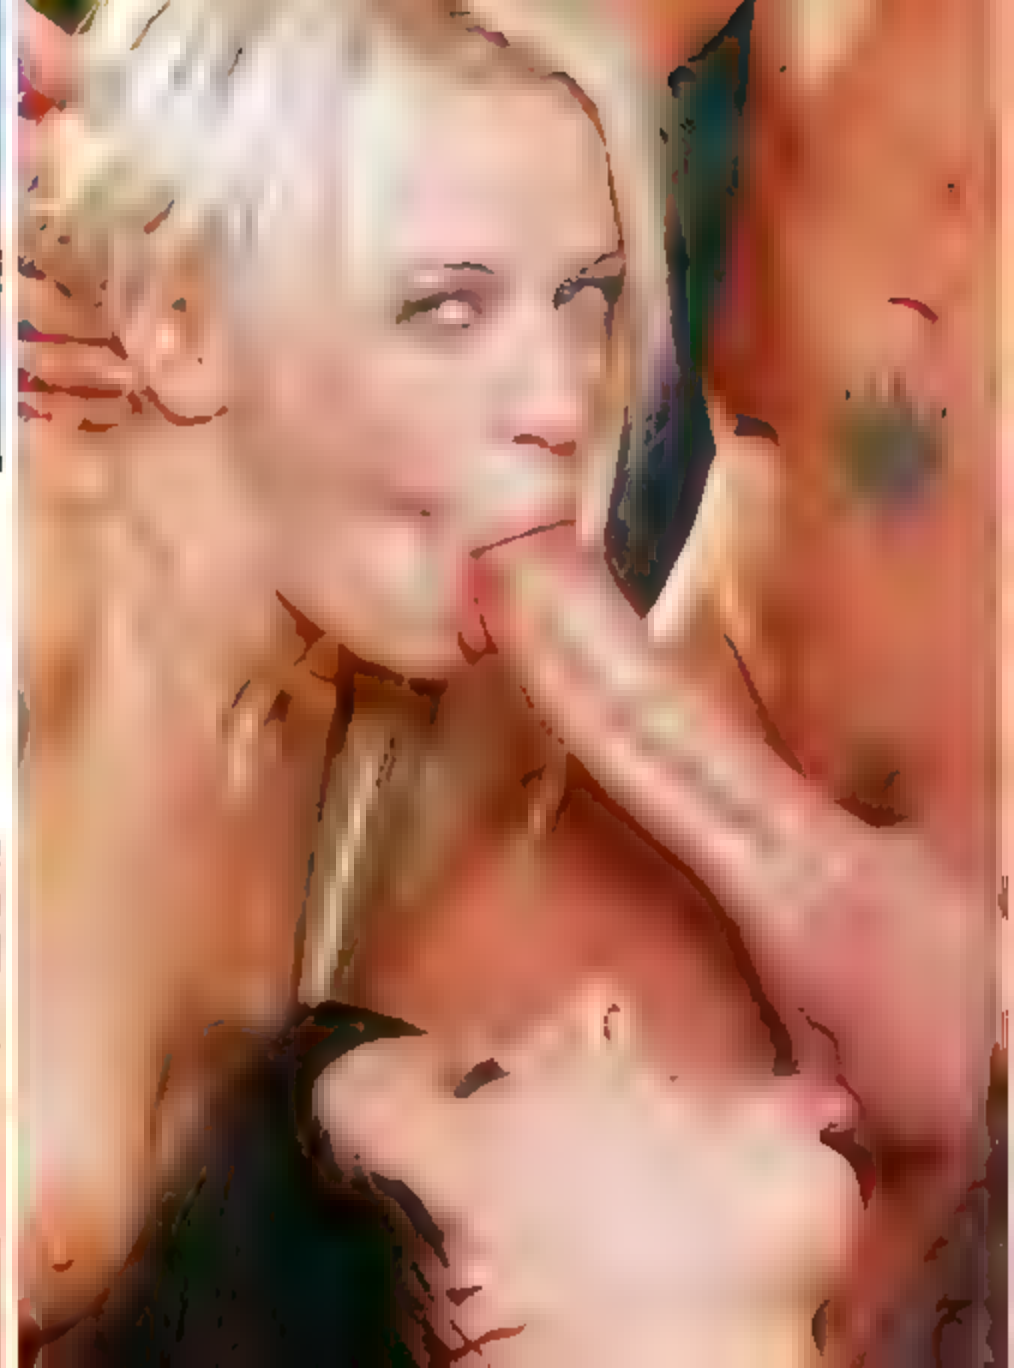

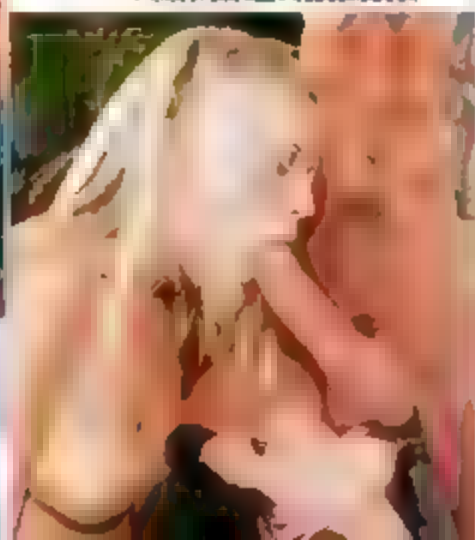

NOTHING BUT

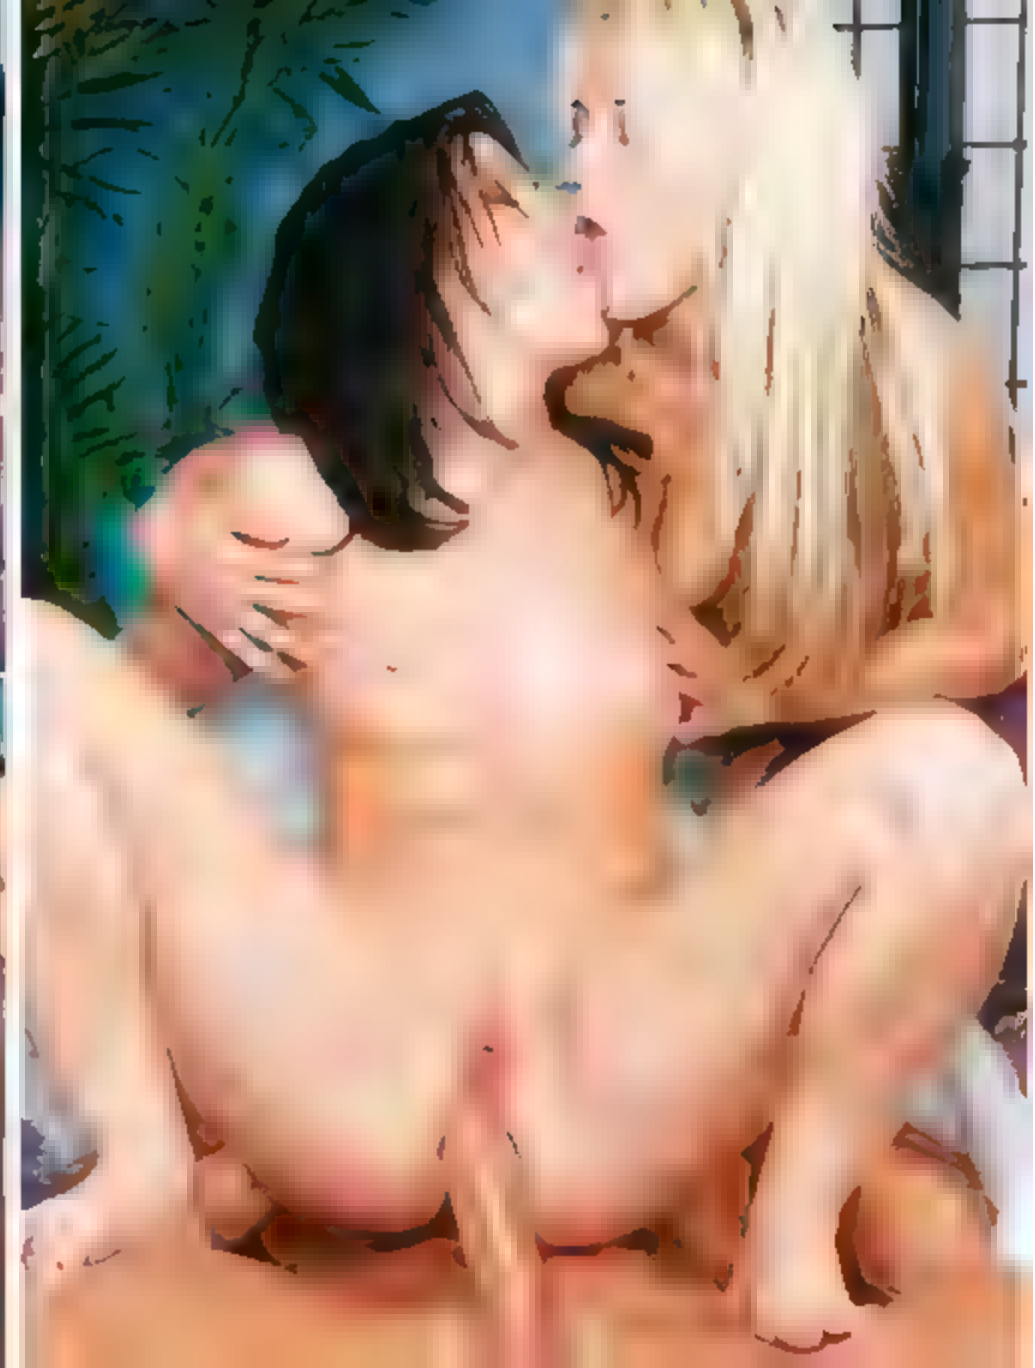

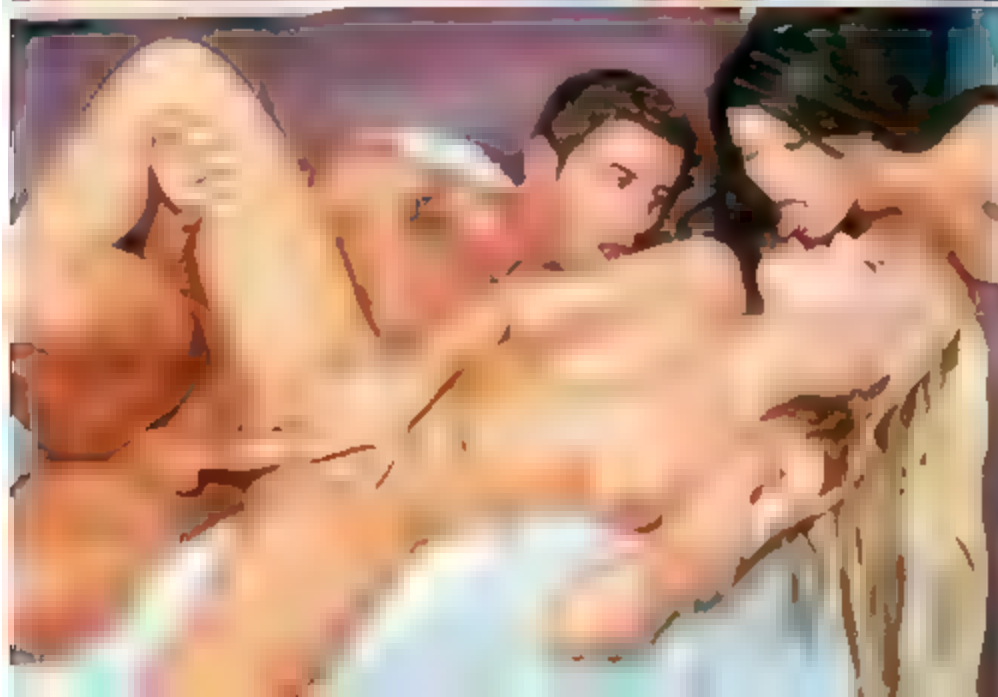

Lynn Thomas and Holly Worth are two high-class  
 porn babes—but this doesn't mean they don't  
 act like dirty sluts who will let anyone poke their  
 young, tight pussies, and even agree: "Quinn,  
 tonight they got all dressed up for a night on the  
 town—but all they're going to be on is Julian's rock  
 hard cock. He tells them he wants to fuck them both,  
 and they're quickly out of their cheap dresses. Their  
 soft bodies are rubbing against one another while  
 Julian gets ready to tickle his nads-on these sluts. He  
 nads Holly while Lynn nads one of their tits. Lynn's  
 all while Holly eats Lynn out. Julian busts his nut over  
 their smiling faces, and the girls lick his juice off of  
 each other. These girls will suck "cum on the face" for  
 "a night on the town" anytime."

is love girl the Mya Diamond. Hot ass, hard body, big soft tits, slutty, and who loves spreading their legs for our camera. Mya enjoys smoking, so she lit up her smokes and the whole studio was on the—figuratively speaking, of course. There was nothing Mya wasn't willing to do—drip down naked, finger her pussy and her ass, suck her juices off her dildo. Anything we wanted her to do, she did. Mya was really getting herself off, fingering her hot holes so deep, her eyes were rolling behind her head. She let out a loud moan, and squirted her sweet juices across the room. We watched her crawl around as she licked her cum off the floor. "Good girl Mya," we said. "Now our balls could use a good swabbing." ♦

# CASSIE STORY

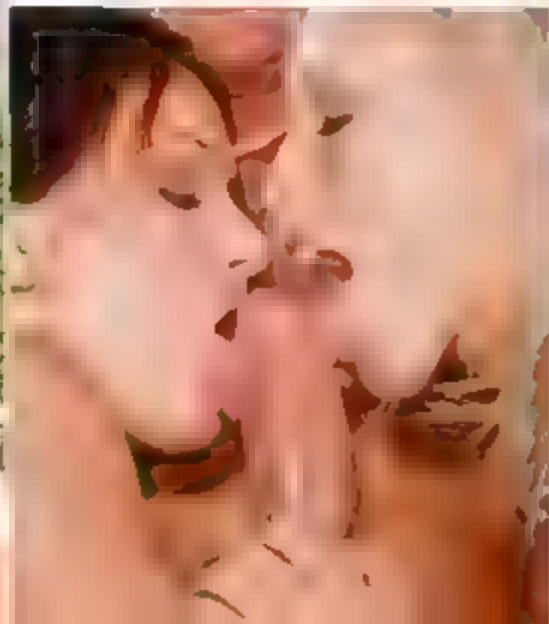

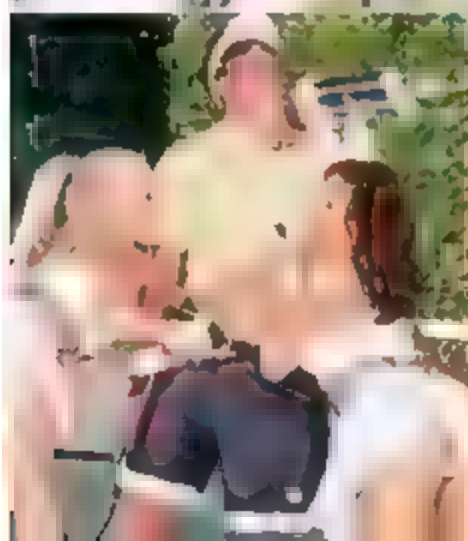

WIFE OF BOB BAKER  
COURT

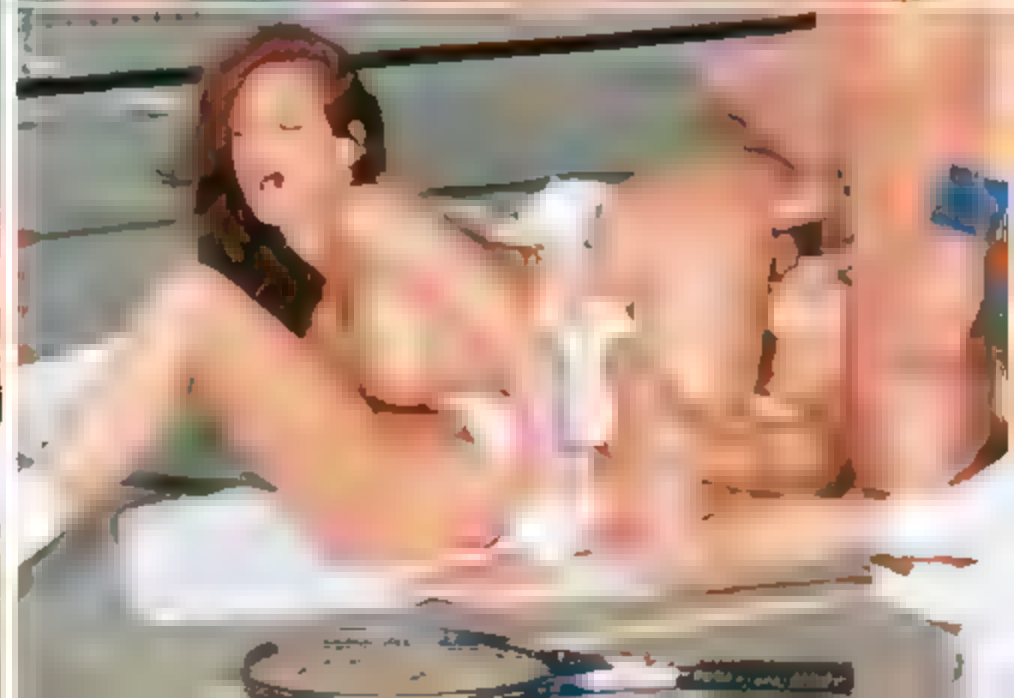

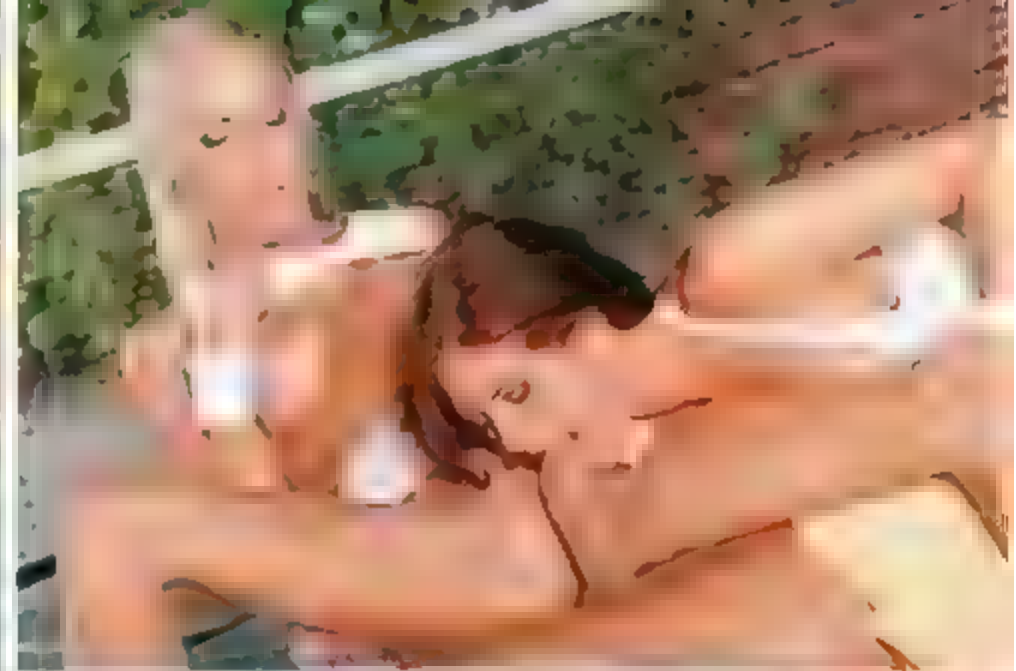

dry Jane and Castle Young are compellions on the court but the one thing they share is a love of man meat. They can't get enough cock, so once the tennis game is over, they quickly run over to Bey and Rose at of the tall, hard, red, belly bodies men one by one, their tight wet cunts dripping wet after getting fucked hard. They finish by dropping a huge load on their pretty little faces, and moaning their mouths one more time full for good measure. They let it taste, not good off each other and soul kiss, burying their tongues in their little mouths. We're packed up with plenty of pickles to keep you gay, fit and in shape if you're interested. + PHOTOS BY SCOTT ST. JAMES

**A**rita loves coming home to her pad, lay on her zebra striped mattress, and jerk off. When she comes home from her job as a nude model, she is so horny thinking of all the sexy girls she worked with that she has to rub one out. Today, posed with a gorgeous girl with soft tits, smooth skin, and a tight ass. God, I wanted to fuck her. I wanted to bury my face in her huge cunt, and eat her perfect pink pussy. I rub my own wet pussy later when I think about her. Oh, yeah... I'm cumming! I have to finger fuck my "twat deeper". Anyone you want to shoot with us Arita, just give us a call. And, we'll even let you fuck the model you'll be working with.

KEY	completely limp and floccid	a little tingle, man's about it	semi-erect
	not bad, bone-heaping	above average, hard and throbbing	climax ready to spew!

## TITS: YOUNG, RIPE & REAL!

(Elegant Angel)

Starring: Glenna, Rocky Rush, Haley Scott, Saffia Rose, Karina Kay, Myra May, Memphis Monroe, Josh Cuba, Nathan Threat, Chris Charming, Andrew Andrew, Mark Wood, and Mr. Pete.

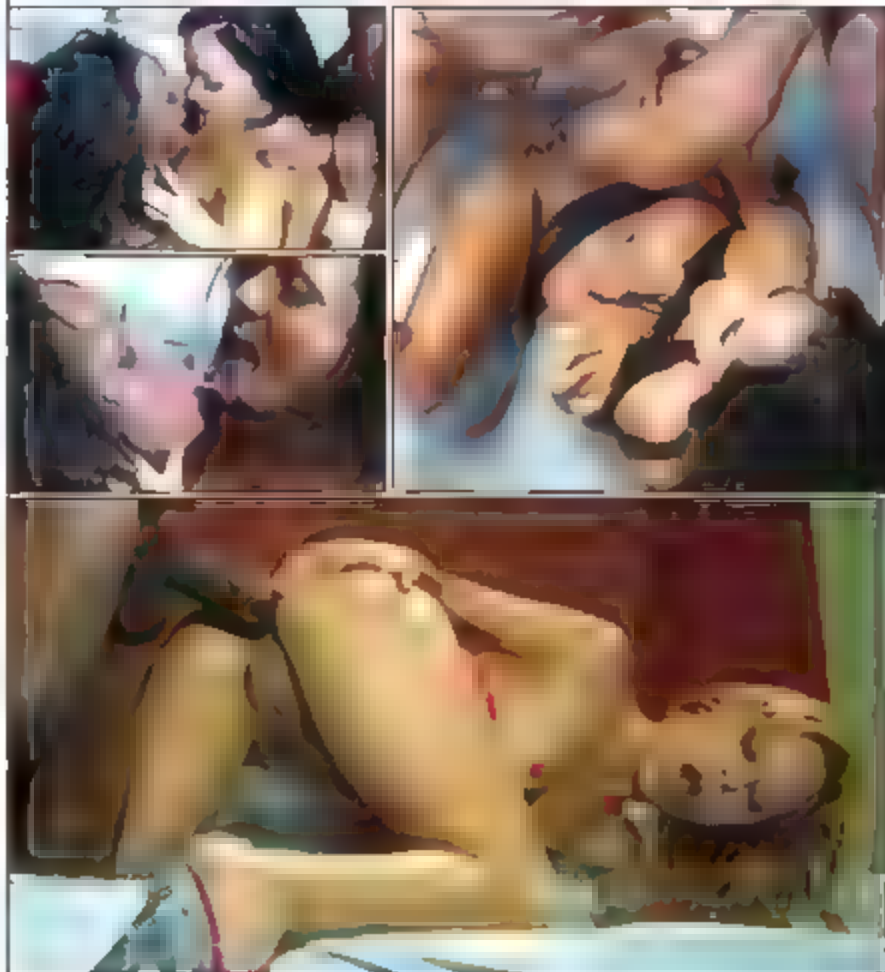

In case you can't guess from the title, it's all about the sensual worship of female mammary glands. And we're talking some huge glands here—six of the busiest babes in the porn business having their mighty jugs oiled, squeezed, stroked, and spinned upon for your working pleasure. Blonde bombshell Memphis Monroe does veteran Josh Cuba, 16-year-old Rocky Rush takes on Chris Charming, cuddly Karina Kay squirts on Mr. Pete's dishing dick, then cute-as-a-bulion Myra May goes after her brother's best friend. Gargous Glenna plays a rich bitch who needs Nathan Threat's loaves sick to make her life complete. But it's Saffia Rose and Haley Scott's back-banging, cB-fucking, face-sitting three-way with Mark Wood that takes the prize for hottest scene. You don't have to be a lover of large breasts to enjoy this over-the-top, gonzo extravaganza, it's designed to stimulate penicks everywhere regardless of their fetish preferences.

## MANY SHADES OF MAYHEM #2

(Tightfit Productions)

Starring: Janavee Jolie, Jada Rea, Cherokee, Kot, Phoenix Ray, Lani Syndee, and Naomi Mercutio.

What does Tightfit Productions mean by this title? Our guess is it has something to do with the multi-ethnic cast of this scorching Jack Black. It opens with smoldering hot Latina spitfire Janavee Jolie sucking and fucking Anthony Hardwood to an explosive climax. Then Jada Rea (black) and Cherokee (American Indian?) take turns riding Billy Gildes's Caucasian cock. The rainbow of raunch continues when metal-mouthed Asian pike Kot takes a spin on Nat Turner's big black ankles. Then blonde, blue-eyed, big-titted Phoenix Ray works over Wesley Ripai with the help of Asian seaport Lani. This disc wraps with erotic Naomi Mercutio (Asian) and sexy Syndee (black) sharing a frosty hot cum facial (off-white). AHH—at this is a sexed-up arsehole flick, which shows that hot sex is hot sex, not matter what race or color the participants may be. Why can't we all just get along? Fucking each other's brains out is a good place to start.

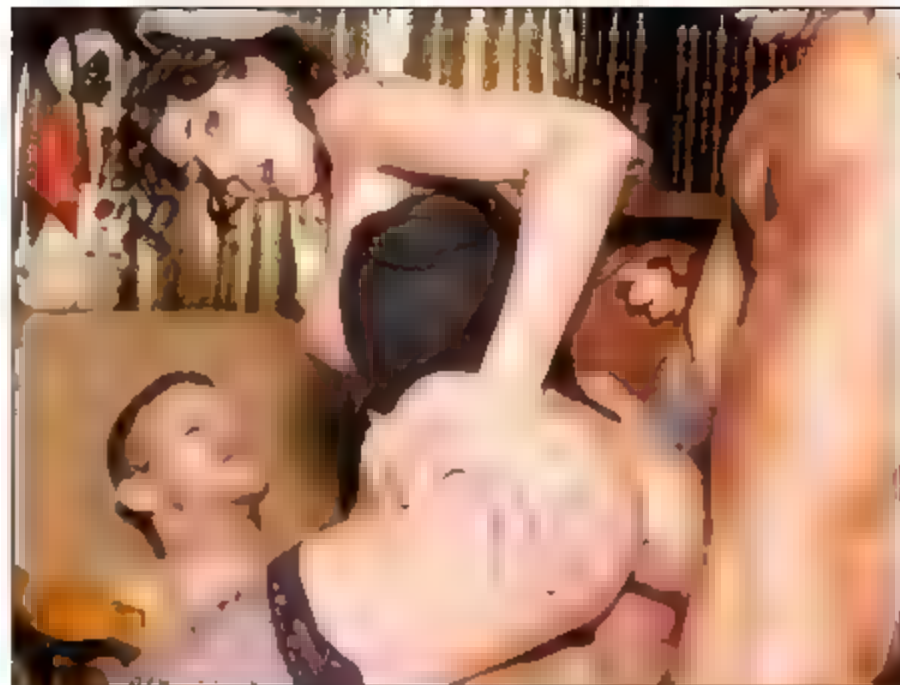

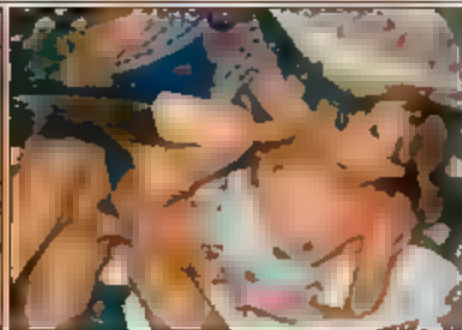

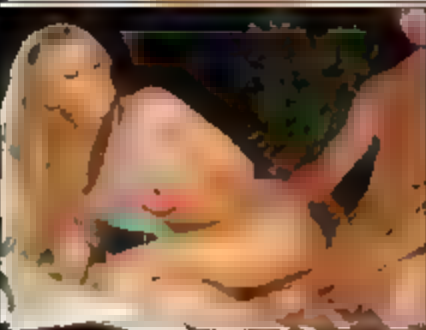

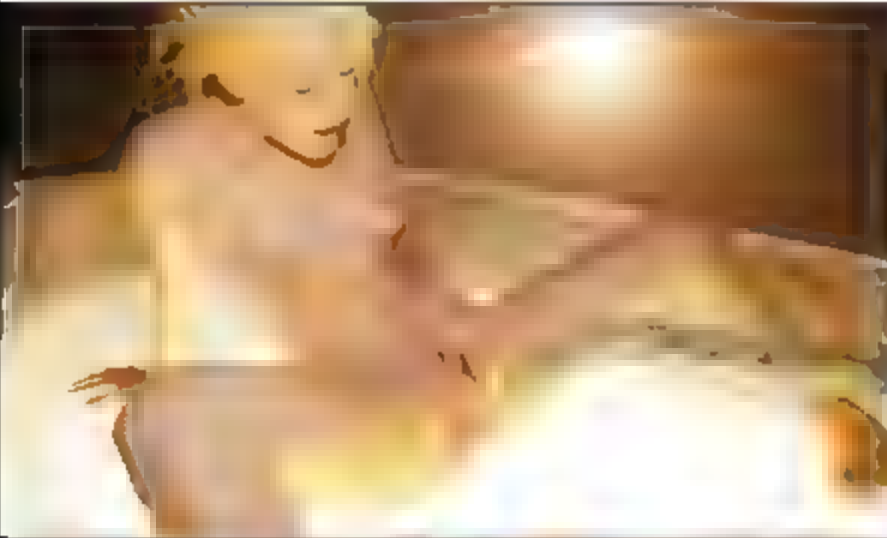

## THE VISITORS \*\*\*\*\*

(Wicked Pictures)

Starring: Kerl Sable, Kristen Price, Avena Lee, Kimberly Kane, Rosanne Hall, Eric Masterson, Evan Stone, Chris Evans, and Barrett Blade

A naked, tight and toned Kerl Sable lays on an electrifying table, surrounded by eerie white light, as a long, slim green appendage slowly slides down her body. This green appendage belongs to a space alien who has abducted Kerl for some unearthly probing. Is this green limb an arm? A leg? A prick? Kerl doesn't know, but she isn't afraid. Instead she looks ready, eager to take whatever this horny ET can dish out, seeking a sexual romp that is truly out-of-this-world. That is the power of director Michael Raven's latest—and most ambitious—project for Wicked Pictures, *The Visitors*. There's enough of a story here to keep chicks and sci-fi geeks watching between the sex scenes. Mysterious "visitors" from outer space are abducting beautiful young women from a small desert town while investigators wait to stop them. The sex scenes are smolder hot. It's a bit conventional: Avena Lee swallows Eric Masterson's load, Kerl Sable gets pumped by Chris Evans, Kimberly Kane gets splattered by Evan Stone, and Kristen Price balls Barrett Blade in the back of a pickup truck. But what sets *The Visitors* apart from the porn pack are the scenes where the Visitors explore every inch of the sexy Earth women they've taken. If *South Park* made alien anal probes funny, then *The Visitors* makes them sexy as hell. *The Visitors* is a winner and sure-fire contender for a slew of AVN Awards. Keep watching the skies—with your hands down your pants!

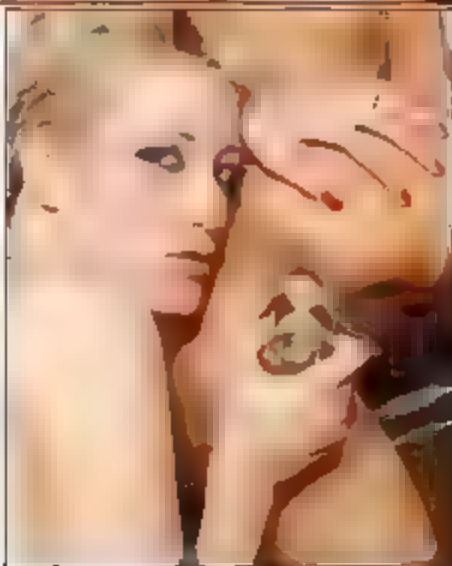

## THE REBELLE ROUSERS \*\*\*\*\*

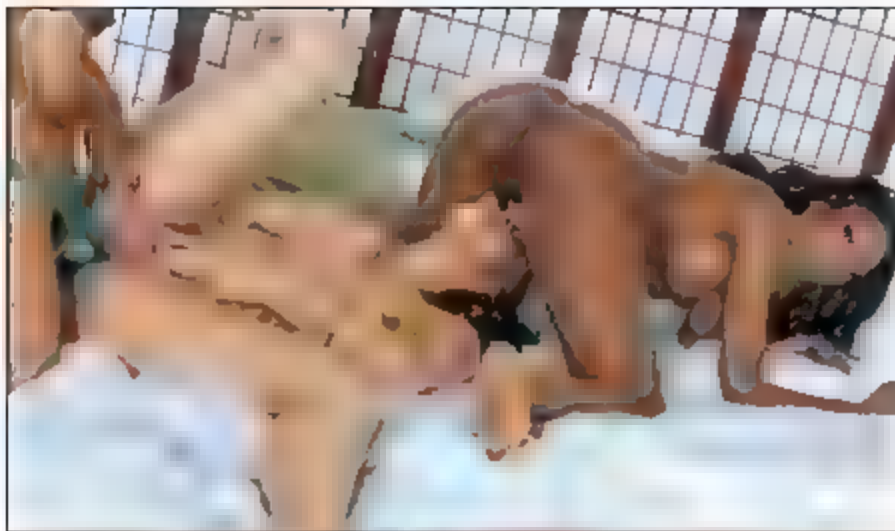

(Vivid-All)

Starring: Kimberly Kane, Page Morgan, Myln Mdx, Laila Baidot, Angie Savage, Nadia Sykes, Sholeh, Mary Jane, Dragon Lily, and Maudie Max

*The Rebelle Rousers* is the most stylish feature we've seen in a while, thanks to all porn director/photographer Octavio Winyard. We love all porn, especially chicks with ink and this being Vivid-All's first feature. Of course we were ready to pull our pants down and start jerking it. We dug the cool look, the cool music, the cool '80s pinup dresses and style of this porn psychobilly/punk rockabilly flick. We especially dug the chicks. Wow! Great fuck performances by all, but we have to give it up to Kimberly Kane and Nadia Sykes. In one hot and lewd session, Kimberly, the leader of the "Rebelle Rousers," isn't talking shit from Nadia Sykes, so she nips her to let her know who's boss. Kimberly is all over Nadia before Nadia turns the tables around and slams Kimberly's big butt. It's a butt munching, butt kicking, butt fucking hot scene. Angie Savage gives new meaning to roller park heaven, and tall lean Laila Baidot gets reamed by two hard cocks. We just love watching dominant babes like Laila being pulled through the ropes. For its first release, Vivid-All has created one gem of a flick. We have seen the future of porn, and it's got ink all over it!

## SISTA 22 \*\*\*\*

(Video Team/Afro-Centric)

Starring: Ashley Brooks, Mya Mason, Naomi Knox, Miss Bee, Nydia Knight, Nyeemo Knox, Bell D'Leon, and Jaimine Cashmere.

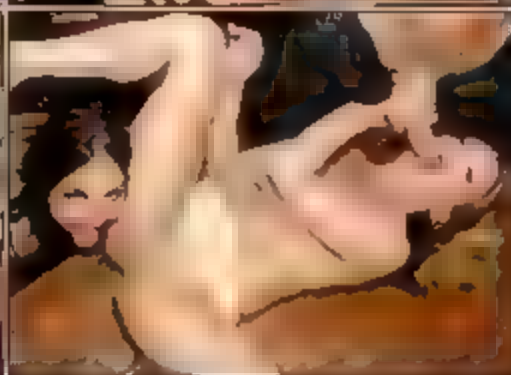

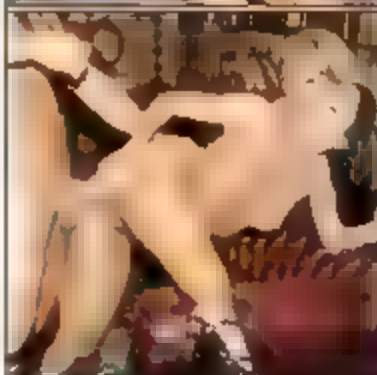

We love the Sistas here at CHER! Dark chocolate honeys, big butts, hair weaver—how can you not love the Sistas? We loved watching Ms. Bee and Naomi Knox mull diving on each other's juicy black buns. What we wouldn't give to get a little taste of that action. Mya Mason and Ashley Brooks look cute together, and they get out of their clothes and go to town on each other's tight waifs. Ms. Bee curls back—and we do mean curls—with a little help from Nydia Knight's long, silky tongue. Stunning Jaimine Cashmere leads a three-girl orgy with babes Bell D'Leon and Naomi Knox. These girls are all over each, rubbing afts and sucking tits, finishing off with Jaimine getting a strap-on attack in her ass. If anyone has a booty that can take a pounding, it's Jaimine. We'd like to take a crack at that big ole butt any time. An all-day cost of nothing but smoking hot black girls, it doesn't happen everyday but when it does, there's no excuse to miss out on it, especially this one!

## TRUE PORN FICTION \*\*\*

(Vivid)

Starring: Monique Alexander, Melissa Lauren, Tina Michaels, Mary Jane, Julie Knight, Shayla LaVoeau, Davia Ardell, Savannah Snow, and Anna Valentina.

True Porn Fiction is a hot movie with a shaky plot. The opener's a scolding orgy featuring Monique Alexander, Julie Knight, Shayla LaVoeau, Tammy Gunn, and Evan Stone, who turn out to be characters in one of Monique's sexy stories. Her next tale involves Mary Jane being royally screwed by Marco Leon on a pool table, but when we return to reality, Monique is fucking a total stranger in her apartment for no apparent reason. Tada to an old friend B/D Jones showing Davia Ardell and Tina Michaels submitting to every one of Melissa Lauren's commands, followed by the finale, where Monique describes all she can to sexually satisfy prison guard Randy Spears. Monique's jail cell transforms into the walls of her bedroom, the credit roll, and we're left wondering what it was all about. Still, the poses are beautiful and the fuck sessions are bone-shattering, so you don't want to pass it up.
